Subject: Issuance of Pakistan E-Visa on Emergency Passport.

Many Swedish nationals have approached us that they have difficulty to get their Swedish Passport renewed due to long waiting time because of refugee influx from Ukraine. They frequently asked question if they can apply for Pakistan E-Visa on Pakistan Online Visa System (POVS) on their Swedish Emergency Passport.

It is, hereby, clarified and confirmed that both Swedish and Finnish nationals holding Emergency Passports can apply for Pakistan Online visa if their Emergency Passports are valid for minimum six months.

The above information may kindly be circulated to the concerned authorities of Sweden and Finland.
